## FUNDRAISERS

The Performing Arts Boosters is dedicated to providing students with the opportunity to participate in fundraisers throughout the year. We are working on a few new ideas for this year, and welcome any suggestions you may have.

### Who are the Dracut Performing arts (DPAB) Boosters?

The Booster parents work behind the scenes to provide important support to our talented children. In the coming months, there are several worthwhile events which we hope you will support. We invite you to join us at a meeting to find out the latest information about the student's activities – football games, parades, concerts and many other important contributions to the ongoing success of the Band, Color Guard, Strings and Show Choir.
