Come join us as we honor our senior band and color guard members. We will recognize them individually along with their parents, shortly before the start of the game as well as dedicate our performance to all of the years of hard work that they have devoted to this program.

GOOD NEWS!

We're going to Disney World

The School Committee has unanimously approved our trip to Orlando! Planning is already well underway with our tour company and we are looking forward to a fun and educational experience.

Please stay tuned for details on an informational meeting in early November.

Hello Students and Parents,

Sunday's performance at the MICCA finals was a great success. The students performed exceptionally well and had a great time, the parents worked like a well-oiled machine and the staff was very pleased.

Our inaugural 8th grade band night was also a huge success. The 8th graders had a great time and were well received by the high school students. Thank you to the parents who helped make this a great night for us all!

With our season winding down, I want to take this opportunity to thank all of the booster parents who have help us both on and off the field. Whether it's moving equipment, helping out with uniforms, providing the students with food and a myriad of other support roles that you play, your help and support is always appreciated. We have tried some new things this year and you have all been both supportive and appreciative of the changes that I have implemented.

Thank You,

Julian Sciolla
